Dear Dr. Debanjan Mahata,

Thank you for agreeing to review the paper #1570417460 ('Simulation and Development of a System for the Analysis of Pressure Ulcers') that has been submitted for possible publication to 2017 IEEE International Symposium on Signal Processing and Information Technology (ISSPIT).

You can go to the review form directly by clicking on the following link

<https://edas.info/R.php?r=8920844>

You can also find your pending and completed reviews by logging into EDAS (<http://edas.info/>), using your EDAS login id debanjanmahata85@gmail.com

Please fill out the review form by answering ALL the questions provided (except "comments to TPC only," which is an optional field) and then press the Submit button at the bottom of the form to submit your review. You may change your review at any time before the deadline of Dec 5, 2017 23:59:00 EST.

Please ensure that your review is turned in on or before Dec 5, 2017 23:59:00 EST.

Thanks again for your help.
