Dear Debanjan Mahata,

Thank you again for serving on the Program Committee for IJCAI2013.

This is a gentle reminder that your review for the following paper is due by March 1, 2013.

#717: Exploiting Multi-type Information to Detect Burst Event in Microblog-ging

We very much appreciate your assistance.

Please upload your review summary by March 1st, 2013 at the IJCAI2013 conference management system. To access the IJCAI2013 conference management system go to http://ijcai2013.confmaster.net and login as dxmahata and the password XXX.

If you have any further questions, please contact us via email at ijcai2013@confmaster.net. Thank you for cooperation.

We look forward to receiving your review. Thank you.

Best regards,

The IJCAI2013 Program Chairs
