Ms. Ref. No.: JSS-D-12-01009
Title: DYSCS: A Platform to Build Geographically and Semantically Enhanced Social Content Sites
Journal of Systems and Software

Dear Mr. Debanjan Mahata,

Thank you for agreeing to review manuscript number JSS-D-12-01009 for Journal of Systems and Software.

If possible, I would appreciate receiving your review by Jun 21, 2013.

Please note that, if present, we ask you to include Highlights and the Graphical Abstract in the reviewing process

You may submit your comments online at the Elsevier Editorial System: http://ees.elsevier.com/jss/. Please login as a Reviewer using the following username and password:

Your username is: DMahata-393

If you need to retrieve password details, please go to: http://ees.elsevier.com/JSS/automail_query.asp.

You may access the manuscript by selecting the "Pending Assignments" link on your Main Menu page. To submit your comments, please click on the "Submit Reviewer Recommendation" link. There you will find spaces for confidential comments to the editor, comments for the author and a report form to be completed.

To assist you in the reviewing process, I am delighted to inform you that as a reviewer you are entitled to access references, abstracts and full-text articles in Scopus and ScienceDirect. Your 30-day access can be activated in your "Pending Assignments" page in EES. Abstracts and full-text can be reached through the hyperlinked references, accessible by following the "View Linked References" link in the action menu of the manuscript, or via the Scopus search bar in EES.

*Scopus is the world's largest abstract and citation database of research information and quality internet sources.

Using your EES login details, you can access Scopus from either the url below or the Scopus search bar that will appear at the top of your assignments page in EES

http://scopees.elsevier.com/ees_login.asp?journalacronym=JSS&username=DMahata-393

The 30 day access period will start as soon as you activate your access to Scopus and ScienceDirect, however you have the option to save your 30 day access period, but note that it will expire six months after receiving this email.

Thank you in advance for your cooperation.

With kind regards,

Aoying Zhou, Guandong Xu, and Nitin Agarwal
Guest Editor
Journal of Systems and Software
